*The Journaling Genius*™ ([www.TheJournalingGenius.com](http://www.TheJournalingGenius.com)) is pleased to present –

**May Magnificence** -- a one-day workshop hosted by a dynamic and playful presenter, Judy Peebles. Her workshops teach tools & techniques that empower you to find your passion, life direction and personal path to success.

Judy is an International Speaker, Business Skills Trainer and Coach. She has a passion for self-exploration through journal writing as a path for personal growth, as Judy says, “to become more of who I am.”

Journaling isn't just for angst filled schoolgirls. It allows you to think on paper. Judy teaches you how to make journal writing productive and beneficial both on a personal and a business level. Whether you've been journaling or writing in a diary all your life, or you've never put pen to paper to express yourself at all, Judy will help you get started, re-vitalize your journaling practice, or take a current practice to the next level.

Unlike some business coaches, Judy takes a holistic approach and consciously considers the impact of the business on the individual and vice versa. She works with driven, tenacious individuals, committed to their own success who just need that extra edge and guidance to assist them to reach the next level.
