The Journaling Jenius™ (www.TheJournalingJenius.com) is pleased to present –

Branding “U” -- a one-day workshop hosted by a dynamic and playful presenter, Judy Peebles. Her workshops, Journals and Journaling Jems™ cards teach tools & techniques that empower you to find your passion, life direction and personal path to success.

Judy is a Business Skills Trainer and International Speaker. She has a passion for journal writing.

Journaling isn't just for angst filled schoolgirls. It allows you to think on paper. Judy teaches you how to make journal writing productive and beneficial both on a personal and a business level. Whether you've been journaling or writing in a diary all your life, or you've never put pen to paper to express yourself at all, Judy will help you get started, re-vitalize your journaling practice, or take a current practice to the next level.

Judy takes a holistic approach and consciously considers the impact of the business on the individual and vice versa. She works with driven, tenacious individuals, committed to their own success who just need that extra edge and guidance to assist them to reach the next level.
